

Bridge Equipment and Supplies

Every club needs bridge equipment and supplies. Here is a list of suggestions which you may find useful. Some of these items, such as tables and chairs, may be supplied by your venue. Established clubs will already have most of these, but there may be some items listed which the Club Committee may not have thought of.

Those items marked with an asterisk* are available from the [EBU Bridge Shop](#). Those items which are available for download from the EBU Website are hyperlinked.
