

## Club Management Focus

The EBU's electronic newsletter *Club Management Focus* (previously *Club Focus*) is produced for those who are involved in the day-to-day running of affiliated bridge clubs. It is published three times a year and carries a mix of articles with items of news and useful information for Club Committee Members, TDs and Scorers.

On publication, an emailed notification is sent out to all main club contacts that the latest issue is available with a request for the notification to be forwarded to anyone else who might be interested.

This is your newsletter, so please tell us what issues you would like us to cover. We would like to hear your success stories, too, so that we can share best practice with our community of EBU affiliated clubs. Please email the editors Matt Betts and Andrew Urbanski with any contributions or if you would like to be put on the mailing list for notifications of publication: [clubfocus@ebu.co.uk](mailto:clubfocus@ebu.co.uk)
