

EBU Bridge Shop

The Bridge Shop is operated for the benefit of its members and affiliated clubs by the EBU. It stocks a wide range of bridge supplies at very competitive prices.

While non-members may make purchases from the EBU Bridge Shop, only members and affiliated clubs benefit from discounts (on nearly all items) as follows:

- **10%** for individual EBU members
- **12%** for EBU affiliated clubs
- **12%** for EBUTA members
- **20%** on a wide range of books including Master Bridge, Batsford, Chess & Bridge and the Really Easy Series.

To benefit from the affiliated club discount, a club's order must be placed by the registered club secretary.

If members can find any of the products cheaper elsewhere, please let the Bridge Shop know, and it will match the price where possible.

It is worth keeping an eye open on the EBU website and in EBU publications for periodic special offers.
