PARKING

There is paid-parking at the IBIS hotel and at other car parks in the area, and some on-street parking in the local area is free on weekends (according to the information on the local council website - see the pink areas D and H on their map) - but do take care to check that this applies to where you have parked. Note that single yellow lines operate on Bank Holidays.

It is the players' responsibility to ensure they comply with the regulations in force.

BRIDGEMATES

North (or South) is responsible for entering the contract & result into the Bridgemate, and East (or West) must be shown it to verify its accuracy by pressing the ACCEPT button.

It is best to enter the contract, declarer and lead at the end of the auction – this saves time, reduces the risk of entering the wrong board number, and ensures the lead is fresh in your mind.

Entering the lead accurately not only provides extra information of interest to players, but can also assist the scorer in resolving errors of data-entry.

It is an offence to attempt to access the TD screen or change a score in the Bridgemate without calling the TD.

In response to requests from players, we display the results from other tables on the Bridgemates in pairs events. A consequence of this is that you must ensure you always enter the correct board number; if you enter the wrong board number and see the results from a board you have not yet played, you will usually make that board unplayable and therefore be assigned a score of Ave minus. Both pairs are responsible in this regard.

Bridgemate UK is the EBU's "Official Wireless Scoring Provider"

GENERAL

Systems/conventions

You are required to have a pair of identical completed system cards and you should exchange them with your opponents at the start of each round. If you do not have two completed system cards, you will be provided with blank system cards to fill out before play may continue, receiving a score of **average minus for any boards unplayed** due to the time lost in doing this. Since all competitions in this event are Level 4 you must use EBU system card (you may not use WBF system cards, which are only permitted in EBU Level 5 events).

Best Behaviour at Bridge

Please be nice to your partner, be pleasant to your opponents and be polite to the Tournament Directors. Otherwise you may well be given a Disciplinary Penalty!

Telephones and other electrical devices

Please switch off your mobile phone. If you must have it on for emergencies, switch it to silent and leave the playing area before answering it. You may not use any electronic equipment within the playing room for texting, emailing or otherwise communicating. You may not use electronic cigarettes in the playing room.

Pairs requiring teammates

Pairs requiring teammates for the Swiss Teams should enter their names on the list on the main notice board by 3:00pm on Saturday. Please remember to delete your names if you subsequently manage to make your own arrangements (again, by 3:00pm on Saturday).

Otherwise, please report to EBU reception at 11:00am on Sunday in order to be introduced to your teammates. Please note that we can make no guarantees whatsoever regarding our ability to find teammates on your behalf.

Prizes

All prizes will be automatically credited to the member's EBU account, and may be redeemed at any time on application to the EBU. The prize values quoted assume a certain level of entry, and are subject to alteration should the actual entry be significantly different from that originally envisaged. An appropriate announcement would be made before the half-way stage of the tournament in question should this eventuality arise.

Master Points

All Master Points will be awarded by direct credit but can take up to a month to show on your record. Ranking lists are available from our web site at www.ebu.co.uk.

Appeals Advisors

If you are considering an appeal and would like to discuss it with someone first, ask a tournament director to introduce you to a suitable appeals advisor.

CHAMPIONSHIP PAIRS

for the Guardian Trophy – holders: Beverley Basquil & Colin Porch

A stratified pairs event scored across the field, played in three sessions, with a 'movement of lines' for subsequent sessions.

Starting instructions

Starting positions for the Championship Pairs have been prepared in advance and will be displayed on the main notice board.

Master Points

Awards for subsequent places on each of the stratified lists will be in accordance with the standard EBU congress formula. Awards will extend to the top half of the field on each list.

Main ranking list (categories A, B and C combined): a top award of 6.00 green points, with a minimum award of 2.00.

Categories 'B' + 'C' combined ranking: a top award of 3.00 green points, with a minimum award of 1.00.

Category 'C' only ranking: a top bonus award of 1.50 green points, with a minimum award of 0.50.

It follows that category 'A' pairs can only win awards by coming in the top one-half of the overall field.

Category 'B' pairs can win awards by coming either in the top one-half of the overall field, or by coming in the top one-half of the combined 'B' + 'C' category. If both of these factors apply, then they receive the higher of the two awards.

Category 'C' pairs can win awards by coming either in the top one-half of the overall field OR by coming in the top one-half of the combined 'B' + 'C' category OR by coming in the top one-half of their own category only. If two or three of the factors apply, then they receive the highest award available.

Prizes

All prizes are quoted in terms of £ per pair.

Main prize list (all three categories combined) [3 prizes]: 1st £160, 2nd £80, 3rd £40

'B' and 'C' list combined [2 prizes]: 1st £80, 2nd £40.

'C' list only [1 prize]: 1st £40.

Pairs are limited to one prize per pair, which shall be the highest one available to them. Any prize so released will be awarded to the next pair in line in the appropriate category.

Thus, four prizes will always be awarded to 'B' and 'C' level pairs not finishing in the main prize list, though the actual values awarded may be different to those quoted above (as when there are higher ranked 'B' and 'C' level pairs within the main prize list).

Similarly, one prize will always be awarded to 'C' level pairs not finishing in either of the other two prize lists, though again, the actual value may be different for the same reason above.

Starting positions for subsequent sessions

A poster will be displayed on the main notice board describing the movement of lines from one session to the next.

STRATIFICATION

A player is an 'A' if they are a Premier Life Master or above, or if their master-point record is held overseas, or if the NGS grade 'Ace' or if they have represented any country at adult level can be stratified.

Otherwise a player is a 'B' if they are a Premier Regional Master or above, and otherwise the player is a 'C'.

The stratification of a pair is the higher of the stratification of the two players.

A team is stratified as 'A' if any player is a Grand Master or above or is in the Gold Point top 60, or has the NGS grade of 'Ace'; or there are two 'A' players.

Otherwise a team is stratified as 'B' if there is one 'A' or two 'B' players; otherwise 'C'.

There are further exceptions, see
