

ENGLISH BRIDGE UNION: TOURNAMENT REPORT

NB: Results should be uploaded to Pianola session by session, and the .dat files from the scoring program (listed below*) sent after the event to gill@ebu.co.uk, gordon@ebu.co.uk and jonathan@ebu.co.uk. Failing that, contact the Aylesbury office on the Monday morning following the event (Gill 01296 317204). Please back up all .dat files to a memory stick at the end of each session.

To smooth the p2p submission process, we request that onsite TD/Scorers do the following:

1. When setting up each event in the scoring program, enter 'EBU' as the club number and set the p2p rate as '99 - normal session'. For multi-session events the scoring program will automatically change the p2p rate for the overall results to '02 – null session'.
2. During the event, ensure that all player names are correctly spelt, and identified with EBU numbers. For congresses, it would be most helpful if all events used the same Player Database. We will usually provide a list of pre-entrants.
3. e-mail the scoring files (i.e. not the results, but all the .dat files, including the Members.dat file) to Gill, Gordon and Ian immediately after the event.
