We reserve the right to decline entries from those who may meet the NGS requirements, but have significant tournament experience and are not 'congress-novices'. The event will be stratified too so that there are extra Master Points; and an extra prize available for pairs of players both ranked '9' or lower (subject to entries).

Only level 2 agreements are permitted.

The format will be six 6-board matches with a break after three matches.

You can upload a copy of your system card to My EBU: Utilities: System Cards – to get a simple link to provide to opponents.

Competitions in this event are at most Level 4, so you may **only** use EBU system cards; not WBF system cards, which are **only** permitted in Level 5 events.

## 8.3 Split Ties

A tie for first place will be split in accordance with standard EBU procedures solely in order to determine the trophy winners of a particular tournament. Any tied places share equally any Master Point or prize award which may be due, even if the tie has been split as outlined above.

## **8.4 Special circumstances**

General EBU regulations apply in relation to any matter not detailed in these conditions (e.g. protest time). However, any conditions, whether they be general or specific to this competition as set out in this programme, may be varied upon the special instruction of the Tournament Director in charge in order to accommodate any unforeseen circumstance and in order to facilitate the smooth running of this Congress.

## **8.5 Appeals and protests**

Any player who has received a Tournament Director's ruling, and who believes that a review of that ruling should be considered (i.e. is contemplating lodging an appeal), is encouraged to consult a neutral adviser on the subject before proceeding with the appeal.

Appeals Committees have been instructed to keep deposits and issue scoring penalties should they determine that an appeal is without merit.

## **8.6 Best Behaviour at Bridge**

Please be nice to your partner, be pleasant to your opponents and be polite to the Tournament Directors. Otherwise, you may well be given a Disciplinary Penalty!

## **8.7 Telephones and other electrical devices**

Do not use a phone or other communication, except for emergencies.

# **9 RealBridge**

## **9.1 Instructions**

RealBridge uses computer video and audio for communication between players. Player can and should test their video/audio by logging into the system in advance.

Players who have not played EBU events on RealBridge may wish to have a practice on RealBridge in advance of the congress. RealBridge offers taster sessions of 8 boards – you can sign up here <https://realbridge.online/try-realbridge.html>. By playing a short session in advance, you should be more able to enjoy the congress on RealBridge.

Players are expected to use video and audio during play. If you develop problems with audio/video, you will be allowed to continue to play using text until you have time to try to sort it out, rather than delaying play.

It may be necessary to refresh the video feed every hour or so: this can be done (without logging out) by clicking the refresh button on your name bar.

## 9.2 Procedures

You should remember that you will be seen and heard by your opponents and should take care to avoid distracting behaviour such as eating while visible/audible 'at the table'.

### 9.2.1 Alerting/Announcing/Explaining

This event will be in open-table mode (not screens) with self-alerting and written explanations. Follow-up questions can be to the player who made the call (via private chat or verbally).

Note that the partner of the player who made the call will not have seen the written explanation.

Calls are alerted by the player making the call, the alert is made by clicking the alert strip. Alert calls that would be alertable or announced face-to-face and provide a written explanation when making the call.

Exceptionally, **bids and passes** above 3NT should be alerted and explained if they are artificial or unexpected. Doubles and Redoubles need only be alerted if required by the face-to-face rules.

### 9.2.2 Online Regulations

The EBU Sky-Blue Book applies to this event. In particular

- Players may consult their own system card and other notes at any stage (1.1)
- UNDOs are permitted in the auction but not in the play (4.3)

If there is a request for an UNDO in the auction, the TD should be called – it may be necessary to reject the request in order to call the TD. The TD will rule whether Law 25A applies and if so, will instruct the other side to accept the request.

If the other side accept the request for an UNDO, without calling the TD, they will usually be deemed to have accepted the replacement call (Law 25B1 – 'the second call stands and the auction continues').
